

## **Session Program**

**9-13 Jan 2023**

# **8th International Conference on High Energy Physics in the LHC Era**

## ***Parallel Session F***

Universidad Técnica Federico Santa María, Building T  
Avda. España 1680, Valparaíso, Chile

# Thursday 12 January

16:40

18:00

Parallel Session F: Heavy Ion Collision	
Session   Location: Universidad Tecnica Federico Santa Maria, Room C226, Building C	
16:40-17:06	<b>Recent heavy ion results from CMS</b>  Speaker Mr Matthew Nguyen
17:06-17:33	<b>Quarkonium transport in weakly and strongly coupled plasmas</b>  Speaker Bruno Sebastian ScheiHING Hitschfeld
17:33-18:00	<b>Recent ATLAS measurements in heavy-ion collisions</b>  Speaker Sebastian Tapia Araya
