

Session Program

9-13 Jan 2023

**8th International Conference on High Energy
Physics in the LHC Era**

Plenary session Monday Afternoon 1

Universidad Técnica Federico Santa María, Building T
Avda. España 1680, Valparaíso, Chile

Sunday 8 January

14:30

Plenary session Monday Afternoon 1

Session | **Location:** Universidad Técnica Federico Santa María, Building T, Avda. España 1680, Valparaíso, Chile | **Convener:** Dr Nicolas Viaux Maira

14:30-15:05 T2K Results and Plans

Speaker
Akihiro Minamino

15:05-15:40 Dark Matter from Dark QED

Speaker
Michel Tytgat

15:40-16:15 Direct Detection of sub-MeV Dark Matter

Speaker
Daniel Egana-Ugrinovic

16:15
