

Session Program

9-13 Jan 2023

**8th International Conference on High Energy
Physics in the LHC Era**

Plenary session Monday Afternoon 2

Universidad Técnica Federico Santa María, Building T
Avda. España 1680, Valparaíso, Chile

Sunday 8 January

16:45

Plenary session Monday Afternoon 2

Session | **Location:** Universidad Técnica Federico Santa María, Building T, Avda. España 1680, Valparaíso, Chile | **Convener:** Hayk Hakobyan

16:45-17:20

Monopoles, Strings and Gravitational Waves

Speaker

Qaisar Shafi

17:20-17:55

Dark photon superradiance: Electrodynamics and multimessenger signals

Speaker

Dr Cristina Mondino

17:55
