

Session Program

9-13 Jan 2023

8th International Conference on High Energy Physics in the LHC Era

Plenary session Wednesday Morning 2

Universidad Técnica Federico Santa María, Building T
Avda. España 1680, Valparaíso, Chile

Wednesday 11 January

10:45

Plenary session Wednesday Morning 2

Session | **Location:** Universidad Técnica Federico Santa María, Building T, Avda. España 1680, Valparaíso, Chile

10:45-11:20

Overview of the LHCb experiment

Speaker

Andrea Contu

11:20-11:55

A new Microscopic Model for J/ψ Production in Heavy Ion Collisions

Speaker

Joerg Aichelin

11:55
