

Session Program

28-30 Sept 2022

XIII Congreso Internacional de Computación e Informática de Norte de Chile (INFONOR - 2022)

VI Workshop on Data And Knowledge Engineering (Wdke 2022)

Universidad Arturo Prat

Friday 30 September

09:00

VI Workshop on Data And Knowledge Engineering (Wdke 2022): Invited Talk

Session | **Location:** VC Reuna - UNAP, Sala 1 | **Conveners:**
Dr Claudio Meneses Villegas, Prof. Diego Urrutia Astorga

09:00-10:00

Image segmentation of HeLa cells with HI (Human Intelligence) and AI (Artificial Intelligence)

Speaker

Dr Constantino Carlos Reyes Aldasoro

10:00-11:00

From synthetic palm vein imaging to large-scale biometric recognition

Speaker

Dr Rubén Hernández García

11:00

11:00

VI Workshop on Data And Knowledge Engineering (Wdke 2022): Short presentation

Session | **Location:** VC Reuna - UNAP, Sala 1 | **Conveners:**
Dr Claudio Meneses Villegas, Prof. Diego Urrutia Astorga

11:00-11:20

Asociación Chilena de Reconocimiento de Patrones

Speaker

Dr César A Astudillo

11:20-11:40

An Empirical Evaluation of Supervised Learning Methods for Network Malware Identification Based on Feature Selection

Speaker

Mr Caelos Manzano Munizaga

11:40-12:00

Modelos Predictivos en Plantas de Osmosis Reversa

Speaker

Mr Diego Urrutia Astorga

12:00-12:20

Explorando la detección de los alimentos mediante algoritmos de aprendizaje profundo

Speaker

Mr Juan Quispe Ticona

12:20-12:40

Academic Performance Evaluation Using Data Mining in Times of Pandemic

Speaker

Dr Edgar Aurelio Taya Costa

12:40-13:00

Social distancing detection by drone exploration

13:15

Speaker

Ms Ruth de Jesus Ramírez Rejas
