

## **Session Program**

**5-9 Sept 2016**

**NewCompStar School 2016 - “Neutron stars: gravitational physics theory and observations”**

***“Neutron stars, pulsars and tests of general relativity”, Paulo Freire***

Department of Physics (University of Coimbra), AD1

## Thursday 8 September

18:30

19:30

### "Neutron stars, pulsars and tests of general relativity", Paulo Freire

**Session** |

**Location:** Museu da Ciência, Anfiteatro, Laboratorio Chimico, Largo Marquês de Pombal, 3000-272 Coimbra
