

Session Program

23-25 Jul 2023

**PhD School on
QCD in Extreme Conditions**

PhD School on QCD in Extreme Conditions

Lattice Field Theory for Extreme QCD

Department of Physics (University of Coimbra), Room E.10A

Sunday 23 July

09:00

Lattice Field Theory for Extreme QCD: Part I

Session | **Location:** Department of Physics (University of Coimbra), Room E.10A | **Convener:** Maria Paola Lombardo

10:30

09:00-10:30

Lattice Field Theory for Extreme QCD - Part I

Speaker

Maria Paola Lombardo

Monday 24 July

16:00

Lattice Field Theory for Extreme QCD: Part II

Session | **Location:** Department of Physics (University of Coimbra), Room E.10A | **Convener:** Maria Paola Lombardo

17:30

16:00-17:30

Lattice Field Theory for Extreme QCD - Part II

Speaker

Maria Paola Lombardo

Tuesday 25 July

14:00

Lattice Field Theory for Extreme QCD: Part III

Session | **Location:** Department of Physics (University of Coimbra), Room E.10A | **Convener:** Maria Paola Lombardo

15:30

14:00-15:30

Lattice Field Theory for Extreme QCD - Part III

Speaker

Maria Paola Lombardo
