

MAP-Fis Research Conference

Friday 11 October 2024 - Friday 11 October 2024

University of Aveiro

Scientific Programme

I- MAIN GOALS

Following the Essays Workshop where 1st year students had the chance to present their work, the MAP-Fis Research Conference aims to give the other students of the program to present their work, to the wider MAP-Fis community.

II- GENERAL STRUCTURE OF THE PROGRAM

The general structure of the program is focused on presentations by senior students (who are not from the 1st year of the program). This is an excellent opportunity to present your scientific work. All MAP-Fis students are strongly encouraged to participate, as well as MAP-fis supervisors, teachers and collaborators.

The participation is mandatory for PhD students of the 2-nd and 3-rd years of the Program (as of academic year 2023/24).

III- DETAILED PROGRAM

The detailed program will be available soon.

Check the Timetable (choose the Detailed View to check your time slot, if you are giving a talk).
