

Session Program

11 October 2024

MAP-Fis Research Conference

***Climate and Environment (Chair: Alfredo Rocha,
Universidade do Aveiro) - Anf. Física (13.1.19)***

University of Aveiro
Campus Universitário de Santiago, Departamento de Física

Friday 11 October

16:20

Climate and Environment (Chair: Alfredo Rocha, Universidade do Aveiro) - Anf. Física (13.1.19)

Session | **Location:** University of Aveiro, Campus Universitário de Santiago, Departamento de Física

16:25-16:45

Testing the performance of six PBL Parameterizations under six Weather Types in Portugal

Speaker

Joana Martins

16:45-17:05

Future climate wildfire modelling using the atmosphere-fire coupled model WRF-SFIRE, under different landscape management scenarios.

Speaker

Ricardo Vaz

17:05-17:25

Impact of dry deposition on WRF-Chem model results and size-resolved AOD during dust event over the Iberian Peninsula

Speaker

Mr Rui Silva

17:30
