

## **Session Program**

**30-31 Jan 2019**

### **eXTP European Instrument Team Meeting**

### ***Instrument status and programmatics - LAD***

University of Geneva  
Route de Lausanne 266A, 1292 Chambesy, Geneva, Switzerland

## Thursday 31 January

09:00

### Instrument status and programmatics - LAD: Instrument status and programmatics - LAD

**Session** | **Location:** University of Geneva, Route de Lausanne 266A, 1292 Chambesy, Geneva, Switzerland

09:00–09:30 **Summary of requirements and specifications**

09:30–09:45 **Status of Design - open/critical points**

09:45–10:00 **LAD: FEE electronics**

**Speaker**

Yannick Favre

10:00–10:30 **TRL: required technology development and potential plan**

10:30

11:00

### Instrument status and programmatics - LAD: Instrument status and programmatics - LAD

**Session** | **Location:** University of Geneva, Route de Lausanne 266A, 1292 Chambesy, Geneva, Switzerland

11:00–11:30 **Potential ITAR issues and management**

11:30–12:00 **Product Tree and Work Breakdown Structure**

12:00–12:30 **Model philosophy and development schedule**

12:30

13:30

### Instrument status and programmatics - LAD: Instrument status and programmatics - LAD

**Session** | **Location:** University of Geneva, Route de Lausanne 266A, 1292 Chambesy, Geneva, Switzerland

13:30–14:00

**Cost estimate and expected/needed contributions from MS: critical areas, mitigation actions, plan B.**

14:00–14:30 **Expected funding schedule in the MS vs project schedule**

14:30–15:00 **Management structure**

15:00
