

Session Program

25 October 2024

Christophe: Precision Predictions for FCNC Processes

Talks

University of Bern, B07, ExWi building

Friday 25 October

15:20

Talks

Session | **Location:** University of Bern, B07, ExWi building

15:20–15:50 **NNLO corrections to $B \rightarrow \bar{B}$ mixing**

Speaker

Matthias Steinhauser

15:55–16:25

Progress on $B \rightarrow X_s l^+ l^-$ and nonlocal power corrections to inclusive penguins

Speaker

Tobias Hurth

16:30–17:00 **QCD corrections to semileptonic and nonleptonic B decays**

Speaker

Matteo Fael

17:05
