

Session Program

14-16 Jun 2023

CHIPP/CHART Workshop on Sustainability in Particle Physics and CHIPP 2023 plenary

Future colliders

Thursday 15 June

09:00

Future colliders: Future colliders

Session | Location: | Convener: Armin Ilg

09:00–09:15 **Overview on future collider options**

Speaker

Daniel Schulte

09:20–09:45 **Physics motivation for future colliders**

Speaker

Rebeca Gonzalez Suarez

09:50–10:15 **Accelerator R&D for future colliders**

Speaker

Dr Tatiana Pieloni

10:20–10:30

The CHEF proposal on experimental and theoretical foundations for FCC

Speaker

Ben Kilminster

10:30
