

Session Program

25-26 Aug 2022

Fostering Swiss collaboration towards a future circular collider - Part 2

Theory

University of Zürich, KOL F117
University of Zürich, Main Building Rämistrasse 71 8006 Zürich

Friday 26 August

09:00

Theory

Session |

Location: University of Zürich, KOL F117, University of Zürich, Main Building Rämistrasse 71 8006 Zürich |

Conveners: Francesco Riva, Gino Isidori

09:00–09:25

PDF for FCC-ee precision

Speakers

Giovanni Stagnitto, Giovanni Stagnitto

09:30–09:55

LFU tests in tau decays and EW precision observables in view of FCC-ee

Speaker

Nudzeim Selimovic

10:00–10:25

Heavy Neutral Lepton searches

Speaker

Jan Hajer

10:30–10:55

Event shapes in hadronic Higgs decays

Speaker

Christian Preuss

11:00
