

Session Program

25 August 2023

Bright environments: Daylight in Sustainable Building Design

Invited speakers:

ETH Zurich. Building HIB, Hönggerberg
Building HIB Stefano-Franscini-Platz 1 8093 Zurich, Switzerland

Friday 25 August

09:15

Invited speakers:: Input lectures

Session |

Location: ETH Zurich. Building HIB, Hönggerberg, Building HIB Stefano-Franscini-Platz 1 8093 Zurich, Switzerland

09:15-09:35

The time for the light and the time for the darkness

Speaker

Dr Lenka Maierová

09:35-09:55

From moon to sun - experimental design processes

Speaker

Mr Alexander Rotsch

09:55-10:15

Challenges while measuring and assessing comfort and health impacts from light

Speaker

Dr J. Alstan Jakubiec

10:30

10:15-10:30

Questions and answers

15:45

Invited speakers:: Keynote

Session |

Location: ETH Zurich. Building HIB, Hönggerberg, Building HIB Stefano-Franscini-Platz 1 8093 Zurich, Switzerland

15:45-16:15

Light, clocks & behavior in the open ocean

Speaker

Dr Sören Häfker

16:30

16:15-16:30

Questions & Answers
