Physics, online and offline

Session | **Location:** CERN, Physicum A315 (HIP seminar room)

10:00–10:05 Introduction

Speaker

Kenneth Osterberg

10:05–10:15 Charged Higgses

Speaker

Sami Lehti

10:15–10:25 Higgs physics with boosted jets

Speaker

Santeri Laurila

10:25–10:40 Vector boson scattering

Speaker

Henning Kirschenmann

10:40–10:55 Jet physics

Speaker

Laura Martikainen

10:55–11:10 Forward physics

Speaker

Kenneth Osterberg

11:10–11:20 Discussion physics

Speaker

All

11:20–11:45 Coffee

11:45–12:00 Jet calibration

Speaker

Mikko Voutilainen

12:00–12:15 Prompt calibration

Speaker

Tapio Lampen

12:15–12:30 L1 trigger

Speaker

Santeri Laurila

12:30–12:45 Computing

13:00

Speaker

Tomas Lindén

12:45–12:55

Discussion online/offline
